

DEFINING AND DISCERNING FALSE, OR CONTROLLED OPPOSITION – PART I

Leon E. Good July 5, 2022 Updated January 20, 2025

I will begin this writing with a well-articulated definition of “**Controlled Opposition**”. I have sensed that the average Christian probably could not define that term, with many never having seen or heard it verbalized.

What is a "Controlled Opposition"?

Controlled Opposition: a strategy in which an individual, organization, or movement is covertly controlled or influenced by a 3rd party and the controlled entity’s true purpose is something other than its publicly stated purpose. The controlled entity serves a role of mass deception, surveillance, or political/social manipulation. The controlled party is portrayed as being in opposition to the interests of the controlling party.

The purposes of controlled opposition include:

- Coopting or preempting a resistance movement to neutralize the threat that a grassroots movement would pose to an established power structure
- Preempt or neutralize true but negative information by having it be championed in a skewed or stigmatized fashion by a person or group. The truth can be peppered with

misinformation, or the truth of the message can be neutralized by association due to the extreme, radical, or unpalatable positions held by the controlled entity (person or group) who is disclosing the information or “championing” a position. The stigmatized truth or adulterated truth in turn steers people away from truthful information which would normally cause criticism or a serious backlash against the controlling party

- Hijack the goals and actions of an organization or movement for purposes other than those that were the original intentions of the grassroots movement
- Give the public the false illusion of choice by presenting a political party or organization that superficially speaks to the desires or frustrations of the people but whose actions do not further the stated goals of the organization
- Disinformation or deception of the masses. Steering the masses in the wrong direction or misdirect their energies, beliefs and actions
- Unmask and monitor the true opposition
- Create a chaotic and divisive environment in which the opposition cannot band together and there is general mistrust thereby ensuring that an organized opposition with clear goals and priorities never manifests
- Act in such a way that superficially appears to benefit the opposition, but in truth furthers the ends of the controlling party

The strategy of controlled opposition works best under circumstances, in which the masses are gullible, credulous, lack critical thinking and are unable to connect the dots and see how the actions/inaction or manipulation of information from the controlled entity benefit the controlling entity.

Allow me also to clearly express, that what I am attempting to define in this writing is not just a conspiracy tale, but it represents the brilliance and sophistication of a system that originates with the father of lies, Satan himself. ***(John 8:44 Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.)***

In regard to the term **conspiracy theory**, it is important for me to simply state that term was created by the Central Intelligence Agency (CIA) as a psyop verbal construct and procedure to discredit any statement or anyone, who gave the true narrative of history and current events, that countered the narrative that was told to the public by the prostituted, controlled media and educational pawns. We read the following [HERE](#).

According to Zero Hedge, the term Conspiracy Theory was created by the CIA in 1967 as a way to discredit anyone who dared to challenge their official version of the truth.

Accuse Conspiracy and Escape Detection

The creation of conspiracy theory has been so well-executed with the indoctrination of the average American.

Anything tagged conspiracy theory is **automatically discredited**. A conspiracy theorist is considered unhinged or at the very least, delusional, and misguided.

When this stereotype is backed up with conspiracy theory law, **it allows real conspiracies to remain hidden**. This one phrase taints and discredits whistleblowers and anyone else seeking to expose the truth.

Just a note: even though some of the following will seem like ancient history to the recent generation of millennials, it creates the proper context for the titled subject above.

As I reflect on the last ten years of my research regarding political, media, and religious personalities and organizations, I have exponentially increased my distrust in so many sources, who **appear** to be supporting the right side of issues in this sea of conflict. As we sail on the sea of life, this intentionally created fog bank of confusion seems to be attempting to hide the true “Lighthouse”.

Psalm 71:1 *In thee, O LORD, do I put my trust: let me never be put to confusion.*

Jeremiah 3:25 *We lie down in our shame, and our confusion covereth us: for we have sinned against the LORD our God, we and our fathers, from our youth even unto this day, and have not obeyed the voice of the LORD our God.*

Jeremiah 20:11 *But the LORD is with me as a mighty terrible one: therefore, my persecutors shall stumble, and they shall not prevail: they shall be greatly ashamed; for they shall not prosper: their everlasting confusion shall never be forgotten.*

1 Corinthians 14:33 For God is not the author of confusion, but of peace, as in all churches of the saints.

A few words that come to mind immediately as I do that reflection mentioned above:
Subterfuge, Infiltration, Illusion, Delusion, Duplicity, Devious, Fraudulent, Manipulation,
and of course **Wickedness** at a level I could never have conceived 50 years ago.

My first introduction to **Controlled Opposition** in the big picture venue in the 1970's, was my education regarding the political parties, known as Republican and Democratic. Here are just a few examples that sort of rocked the political boat in which I was sailing. Interestingly, any courses or books in political science that I studied, missed informing me of this especially important aspect of American politics.

The following represents just a small sample of the **political dichotomy that did not really exist** as it appeared to the average American. I became aware that Presidents Harry Truman (Democrat) and Gerald Ford (Republican) were both 33rd. degree, Lucifer worshipping Freemasons. Another example would be Senator Samuel James Ervin Jr. (Democrat) and Senator Jesse Helms (Republican) were both 33rd. degree Freemasons.

With the above paragraph in your thoughts, read the following, official quote:

"That which we must say to the crowd is - We worship a God, but it is a God that one adores without superstition. To you, Sovereign Grand Inspectors General, we say this, that you may repeat it to the Brethren of the 32nd, 31st, and 30th degrees -- The Masonic religion should be, by all of us initiates of the high degrees, maintained in the purity of the Luciferian doctrine". Albert Pike – Author of the Scottish Rite of Freemasonry - La Femme et l'Enfant dans la Franc-Maçonnerie Universelle – Pg 588.

Now if you think that seems strange, here is an additional example of controlled opposition. All four of those men above were aware that the Palladian Rite of Freemasonry birthed the Communist Internationale. Why was this movement created? In extremely simplistic terms, it was a guarantee of creating reasons for war, which were the driving force for the world's indebtedness to the Rothschild Banking Cabal. The end goal and agenda – **Novus**

Ordo Seclorum – or **New Order of the Ages**, which is the **New World Order** that is being achieved through “**The Great Reset**”.

Just a few short side notes: The Vatican created and used Communism to gain control of Russia and the Czars' large gold holdings. The word Czar and the word Caesar have the same meaning – they were viewed as competition to the Caesar in Rome, who represented the western leg of the former Roman

Empire in the Image of the Kingdoms that is pictured in Daniel.

What is interesting, some of the strongest, **postured** opponents to Communism in our government, were such men as Senator Helms and Senator Strom Thurmond, another 33rd. degree Freemason, who knew what Communism really was – another rite of Freemasonry, which was Vatican created and controlled.

Then we have another example - the John Birch Society, founded by Robert Welch, Jr., (Freemason) which played the role of pointing all their accusative energies and claims against Communism, while claiming Freemasonry was patriotic, while also providing a cover for Freemasonry's connection to the Jesuits and the Vatican. That connection was, and is, **Symbolic**

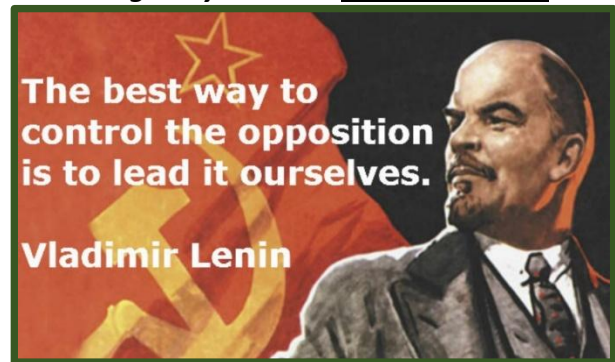

Warning!
Controlled opposition ahead !

Baal Worship, which is key to both systems. This was controlled opposition in action at an extremely high level of wickedness – they named their organization after a former Baptist missionary to China, who eventually earned the rank of Captain in the 14th Air Force, as he assisted the government in the rescue of war survivors through an intelligence network he created in WWII.

Allow me also to insert, that the JBS and those Masonic politicians served the Banking Cabal's goal well, by creating a **manipulated** fear and hatred by Americans for Communism, which would lead to their support of wars with Communism – which would eventually lead to the bankruptcy of our nation. The public media was also included in this mind manipulation of America's unsuspecting populace.

Then we have this regarding the reason for the creation of the JBS.

The John Birch Society EXPOSED! *Produced in 1977 by a group of former high-ranking JBS members, "The Belmont Brotherhood" refers to the National Council at Belmont, Massachusetts where JBS national headquarters were originally located. Various sources cited therein document that the early members of the John Birch Society were also members of the liberal Establishment they pretended to oppose and represented in great measure the corporate interests of America, which are advanced by the oaths of loyalty to one another in a secret brotherhood -- organized Freemasonry. This 12-page report concluded with the perceptive observation that the John Birch Society represents the most diabolical form of the Illuminati conspiracy:*

"You may object: 'Look at all the great things [Founder, Robert] Welch has done - he has exposed the Illuminati.' Baloney. The Illuminati was merely a branch of the Conspiracy. How can one attack the Illuminati without attacking the diabolical power behind it: organized Freemasonry? Welch has provided the most valuable service of all time to the Conspiracy. He founded an organization to neutralize millions of Americans from discovering what the true power behind the Illuminati really was. And we concede the Mason's chose an extremely clever man to do the job. Welch, with the help of the Belmont Brotherhood, plays his role very effectively."

The Introduction to a 1967 reprint of John Robison's Proofs of a Conspiracy (a 1789 expose of the Illuminati), published by the Birch-owned Western Islands publisher, disallowed that there could be present connections between the Illuminati and Freemasonry. According to the JBS, the Illuminati are the forefathers of Communism, but not of Freemasonry, which is held in the highest regard as a patriotic organization by the John Birch Society.

With that as a primer and an accounting of just a few interesting examples of “**Controlled Opposition**” from more than four decades ago, I now wish to move into examples of this happening in our more current settings. Let me clearly state, though my examples above mainly involved politicians and their lackeys, many examples could have been provided of men (and women) in religious, military, media, and financial circles that played the same game.

I would also propose adding one additional principle to the definition of “Controlled Opposition” presented in the beginning of this article: One huge reason for infiltrating a opposition movement is to identify those individuals who are funding and leading that movement, with that information being used to target individuals and organizations. That is just one example of subterfuge.

This game of controlling both sides of a narrative became even more intensely evident as I researched this in religious and political circles more astutely in the past twenty years.

In the religious arena, between Sept. 24, 2018, and March 27, 2020, I wrote a series of 21 articles entitled **Identifying Proponents of Heresy**. This was a serious effort to expose just a few of the apostate persons and ministries that many naïve evangelicals, without doing research, read their writings, and listen to their TV programs and podcasts, with some also attending their conferences.

There also have been a considerable number of supposedly “solid” ministries who quote, give book recommendations, and in many cases, attend conferences featuring apostate speakers and musicians.

I make no pretense of knowing another man’s ultimate standing with God, but I am instructed to be a “**Fruit Inspector**”, and to identify heresy and apostasy.

I believe that was the purpose of Jude’s expressing this in **Jude 3-4 Beloved, while I was giving all diligence to write unto you of our common salvation, I was constrained to write unto you exhorting you to contend earnestly for the faith which was once for all delivered unto the saints. For there are certain men crept in privily, even they who were of old written of beforehand unto this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying our only Master and Lord, Jesus Christ.**

I am also conscious of the words of Jesus regarding the tares and the wheat in **Matthew 13:27-30** *And the servants of the householder came and said unto him, Sir, didst thou not sow good seed in thy field? whence then hath it tares? And he said unto them, An enemy hath done this. And the servants say unto him, Wilt thou then that we go and gather them up? But he saith, Nay; lest haply while ye gather up the tares, ye root up the wheat with them. Let both grow together until the harvest: and in the time of the harvest I will say to the reapers, Gather up first the tares, and bind them in bundles to burn them; but gather the wheat into my barn.*

Balancing our responsibility to promote the TRUTH and expose the LIES, is a challenging proposition in this age of GREAT DECEPTION, which I sense is the beginning of what Jesus spoke of in **Matthew 24:24** *For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.*

Then there is this verse that is included at the close of all my emails: **Ephesians 5:11** *And have no fellowship with the unfruitful works of darkness, but rather reprove them.*

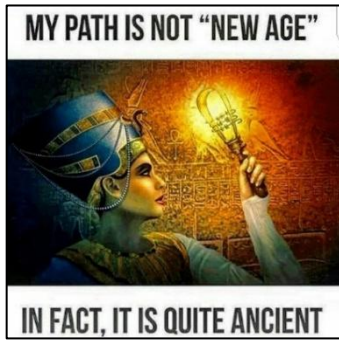

With those scriptures in mind, there are a few particular areas of research of which I will share a small representation of my discoveries. Hopefully, this will add some understanding for your processing of what has happened and is happening currently.

My writing is not motivated by hatred of any particular persons, but a **hatred** of **Apostasy** and a **love** for the **Truth**. Also, in the list that follows, concerns will be summarized. I have written in much detail previously. If you wish more detail and documentation, just request my writings by email – I have written over 100 articles on various issues and concerns.

Following are the segments of culture I will deal with in more detail, with articles to follow at a later date:

- Religious (including musicians) Pretenders and Change Agents
- Patriotism (God & Country movements) - the 2016 Presidential Election
- The intentional creation of COVID, and the creation of a bioweapon “vaccine” by the pharmaceutical cabal. We will briefly analyze the narratives by certain persons, and their connections to the New Age.

"Perhaps the ultimate role of the United Nations will be to transform all humans into universal spiritual beings" Robert Muller - the former secretary General of the UN, wrote the book "New Genesis: Shaping a Global Spirituality".
