

DEFINING AND DISCERNING FALSE, OR CONTROLLED OPPOSITION – PART II

Leon E. Good July 12, 2022 Updated January 20, 2025

In writing the second part of this series, I again, wish to remind my readers that I am just the messenger. While the information shared may certainly cause cognitive dissonance in some readers, it nevertheless must be shared.

Also, I want to emphasize that the *Controlled Opposition* I expose in this document represents persons or organizations that pose as genuinely *Christian*, but are actually part of the Vatican's team, as Satan's goal is to destroy the TRUE Church and deceive the nation of Israel into accepting the antichrist as their true Messiah.

=====

RELIGIOUS PRETENDERS AND VATICAN CHANGE AGENTS

2 Peter 2:1-2 But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of.

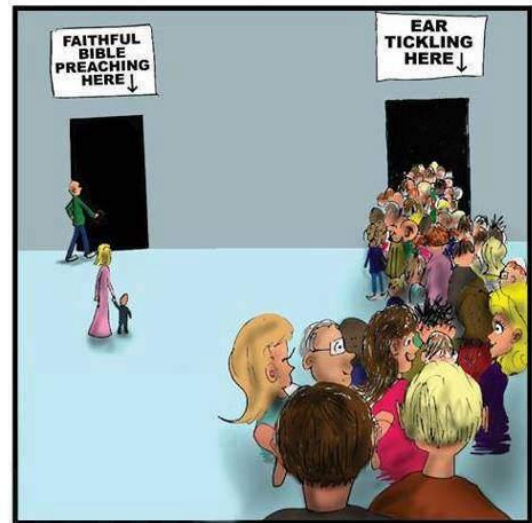

As we begin this portion of concern, I want to point to the word *privily* in 2 Peter 2:1. These intruders, with assistance (*doctrines of devils – I Tim 4:1*) by the enemy of our souls, practice every possible tactic, to enter into Christian circles without being detected or discovered. Their methods include “*gradualism*”, where their efforts to change doctrine, practice, and lifestyles, may and do, often span more than a few generations. If parents miss using Scripture as their

roadmap, their children are very likely to cede territory to the world, even while aligning with the

church of their parents. As those children get into leadership, the whole church will very likely cede territory to the world.

Current technology and “Christian” education systems go a long way in circumventing the teaching of parents and the local church, who are considered by many youth and educators to be outdated. A whole article could be written regarding that problem alone.

One of my professor friends made the statement that Evangelical seminaries can mass produce apostate, degreed pulpiteers, which will then produce a huge wave of apostasy through the local congregations. I have personally witnessed that in my dad’s congregation after he retired from the pastorate in the 1980’s. His prior church now has a lady pastor, and certainly seems to be moving towards an apostate status.

I also wanted to mention briefly, that I received very credible information in the 1970’s, that the Charismatic Movement was seeded in Rome. One cardinal made the remark: Give us x number of years, and we will win back much of the Protestant Church to Mother Rome through Charismaticism. Included in that same push, was the **intentional** creation of Christian Rock music as an accomplice in pushing the Charismatic Movement and CCM into both Protestant and Catholic circles. Youth from both groups attend CCM concerts together in a so called “*worship*” setting, while being totally naive concerning the **real purpose** of those gatherings – **Ecumenism**.

**BEWARE OF THE
ROMAN CATHOLIC
"CHARISMATIC
MOVEMENT"**

Please be reminded how false, controlled opposition is used as you read the following. They create organizations seemingly friendly to Biblical Christianity, with the intended purpose of opposing Biblical Christianity. Another form is the infiltration of organizations (i.e. Mission Agencies, Christian Universities) that have a reputation for being true to the Scriptures, and **gradually** perverting their teachings, so gradually that the new generations educated in the new way, don’t even realize how drastic are the changes that have taken place.

Please be mindful also that organizations and persons that appear more conservative in their origins, the greater is the potential for the long-term wreckage they can cause, because Christians are more tended to trust them.

Before I proceed, I want to share (shared previously) this to give you a sense of how wicked *The Society of Jesus* (Jesuits-the ultimate Satanic controlled opposition) are in their hatred for the true church of Jesus Christ – all in the very name of Jesus.

Excerpt from the Jesuit Extreme Oath:

Pre-oath instructions by the Superior:

“My son, heretofore you have been taught to act the dissembler: among Roman Catholics to be a Roman Catholic, and to be a spy even among your own brethren; to believe no man, to trust no man. Among the Reformers, to be a reformer; among the Huguenots, to be a Huguenot; among the Calvinists, to be a Calvinist; among other Protestants, generally to be a Protestant, and obtaining their confidence, to seek even to preach from their pulpits, and to denounce with all the vehemence in your nature our Holy Religion and the Pope; and even to descend so low as to become a Jew among Jews, that you might be enabled to gather together all information for the benefit of your Order as a faithful soldier of the Pope. You have been taught to insidiously plant the seeds of jealousy and hatred between communities, provinces, states that were at peace, and incite them to deeds of blood, involving them in war with each other, and to create revolutions and civil wars in countries that were independent and prosperous, cultivating the arts and the sciences and enjoying the blessings of peace. To take sides with the combatants and to act secretly with your brother Jesuit, who might be engaged on the other side, but openly opposed to that with which you might be connected, only that the Church might be the gainer in the end, in the conditions fixed in the treaties for peace and that the end justifies the means”.

That is just the pre-oath instruction – the oath itself represents pure hatred.

This should give you a context and a sense for the level of wickedness of the *“Controlled Opposition”* that will be exposed below:

=====

The following people and organizations represent a few examples of False or Controlled Opposition in the area of Religion. That means they postured themselves as genuine Christians, but they were vassals of the Vatican. Also, the Pope never meets personally with anyone not on his team.

=====

Charles (Chuck) Colson – served his Vatican assignment well, by being very instrumental in creating the agreements titled *Evangelicals and Catholics Together*, and the *Manhattan Declaration*.

We read this [Here](#) : *The Evangelicals and Catholics Together: The Christian Mission in the Third Millennium* document was authored and presented in May of 1994 by Charles Colson of Prison Fellowship and Roman Catholic priest, Richard John Neuhaus. In 1993, Chuck Colson was the recipient of the \$1,000,000 [“Prize for Progress in Religion,”](#) presented annually by [New Age financier, John Templeton.](#)

[Prison Fellowship International](#) boasts of its Special Consultative Status as a non-governmental organization [\(NGO\) of the United Nations.](#)

Father Richard Neuhaus is the director of the Institute on Religion and Public Life -- a Roman Catholic priest who, as former Lutheran and a seminary student, rejected the doctrine of justification by faith in Jesus Christ. [\[1\]](#)

The ECT Document was signed by 20 Catholic leaders and 20 Evangelical leaders including:

- Dr. Bill Bright of Campus Crusade for Christ (CRU)
- Pat Robertson, President of CBN and member of the CNP
- J. I. Packer of Christianity Today
- Richard Land and Larry Lewis of the [Southern Baptist Convention](#) (a denomination controlled by Freemasons)
- Jesse Miranda of [Assemblies of God](#) (which attends ecumenical meetings with the World Council of Churches and Roman Catholic Church)
- Dr. John White, President of Geneva College and President of the Board of Administration of the National Association of Evangelicals (evolved from the [Evangelical Alliance](#) formed in 1851 in United Grand Lodge of England)
- Os Guinness, Trinity Forum
- Dr. Mark Noll, Wheaton College

=====

Tim Keller, D.A. Carson, and The Gospel Coalition - [The Gospel Coalition: The "New Calvinism's" Attack on the Bible and Its Epistemology](#) - ...Excerpt - ...*The writers of TGC's foundation documents, rather than offering a more Biblical approach to the understanding of truth, have instead simply embraced the spirit of this age and are articulating nothing more than a "Christianized" version of postmodernism.*

What exactly is TGC's view on the nature of truth? The TVM offers the following definition: 'We affirm that truth is correspondence to reality' (Section I, Paragraph 1). Individuals whose thinking has been shaped by the irrationality of our age will find few problems with this statement. But a careful analysis of these words will reveal a shockingly un-Biblical definition of truth. This statement, while affirming the existence of some vague objective reality, does not provide a definition of the reality to which truth corresponds according to Scripture"

I would also add that The Gospel Coalition promotes theistic evolution.

Then we have this: [The Gospel Coalition Celebrates Pro-LGBTQ, Pro-Abortion Leftist Politician](#)

The Gospel Coalition abandoned the gospel long before it became an outlet for progressive politics and anti-gospel rhetoric. The Gospel Coalition is largely a propaganda outlet for loosely affiliated church leaders to come together and promote woke theology and Democrat talking points.

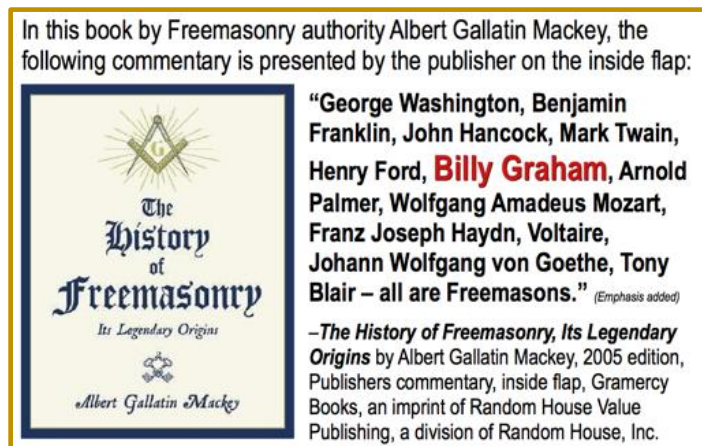

The Gospel Coalition is a reliable source for the advancement of such worldly ideologies as social justice, intersectionality, and identity politics to the detriment of the actual gospel and has advocated for a seemingly middle-of-the-road stance on homosexuality that treats same-sex-attraction as an ailment rather than a sin and even, in some cases, treats same-sex relationships and affection as a plausible alternative to biblical marriage so long as it stops short of bodily penetration. All in all, The Gospel Coalition has turned many conservative churches into leftist political activist groups.

I would ask this question with deep concern – why **did/are** these men serving as TGC Council members? **Alistair Begg, Mark Dever, Kevin DeYoung, Ligon Duncan, Kent Hughes, Erwin Lutzer, Albert Mohler, Ray Ortlund, David Platt, John Piper, and Philip G. Ryken.**

=====

William (Billy) Franklin Graham – I previously wrote a two-part article on Graham – That required research clearly shows that he was a Freemason. His role was to steer evangelicals back to Rome en masse, even if some souls were saved by his preaching. Satan pragmatically viewed those lost souls to his cause as a small payment for the ecumenical achievements accomplished by Graham’s serving the Vatican.

You will notice his name is included on a front cover book flap on Albert Mackey’s “The History of Freemasonry”. It should also be noted that Albert Mackey is known as an excellent Masonic source for Masonic information.

I do have a pictured copy of the actual, inside front cover book flap.

It is also significant that many of Billy Graham’s close political friends and contacts were also deeply involved in the Baal worship system that Freemasonry and Roman Catholicism represents.

Presidents **Harry S. Truman**, Dwight Eisenhower, Richard Nixon, Lyndon Johnson, **Gerald Ford**, **Ronald Reagan**, Jimmy Carter, George H.W. Bush, Bill Clinton, George W. Bush, Barack Obama, along with Senators **Jesse Helms**, Sam Erwin, Bob Dole, Robert Byrd, Barry Goldwater,

Mark Hatfield, and **Strom Thurmond**, Speaker of the House, **Newt Gingrich**, and Secretary of State, **Henry Kissinger** were/are all connected with Masonic affiliated bodies. The names highlighted above were known Honorary or Initiate 33rd. degree Freemasons. **That is quite a list of men, whom I can confidently declare as being bad company from the perspective of being a sincere, born again Christian.**

His personal friendship and promotion of the ministries of Robert Schuller, Oral Roberts, and Norman Vincent Peale – each one a 33rd. degree Freemason is also very significant.

Here is a Significant Quote:

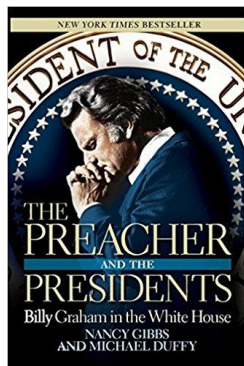

The Preacher and the Presidents: Billy Graham in the White House Paperback – June 12, 2008 by [Nancy Gibbs](#) (Author), [Michael Duffy](#) (Author)

On page 108 of the “The Preacher and The Presidents” we find the following interesting quote:

After accepting the invitation from just elected Pres. Jack Kennedy – the following is written in this biography of Billy Graham:

“When he arrived at Joe Kennedy’s Palm Beach estate, Jack was in an upstairs bedroom changing clothes. Graham remembered him leaning out a window and calling down,

‘Dr. Graham, my father wants to see you. He’s out by the pool, would you go out to see him?’”

“Graham found the Kennedy patriarch waiting for him at poolside. ‘Do you know why you’re here today?’ Joe Kennedy asked.

“No sir, I’m surprised,” Graham said, “And honored to be invited”

“Joe proceeded to tell him a flattering story, of traveling in Germany with the president of Notre Dame and seeing signs for a Graham Crusade. Curious, they went to see for themselves, tens of thousands of people crowded into a square to hear the evangelist preach. They were “astonished” at the scene. A few days later they had an audience with the pope and told him about it. “And the Pope said, ‘Yes, I wish we had a dozen people in my church doing the same thing.’”

“So, Kennedy said, ‘When Jack got elected, I told him he must make you one of his friends’”.

When you understand and weigh the fact that the Vatican is presently Satan’s seat of operation, the above has serious ramifications in identifying who Billy Graham really was. Realizing that Billy Graham personally gave approval to the writing of this biography, the above becomes even more significant. Subsequently to the date of this quote, Billy met with the pope multiple times. Realizing that anyone who is not on the pope’s team is afforded that opportunity, this fact also is quite significant. FOCUS ON THE FAMILY – JAMES DOBSON

This ministry served a two-fold purpose for the enemy. They introduced a “*hybrid humanist psychology*”, and its secular roots into Protestant circles, calling it “*Christian psychology*”, when it wasn’t Christian. Notice again Satan’s penchant to identify so many of his efforts to infiltrate Christianity with the name Christian, i.e., “*Christian Yoga*”, “*Christian Rock*”, “*Christian Martial Arts*”, etc.

They also served as an ecumenical powerhouse, as they were so accepted by Protestants because of their wonderfully perceived focused ministry – the family.

Psychological Savior – PsychoHeresy Awareness Ministries - by Martin and Deidre Bobgan | Apr 1, 1999

Excerpts: ...Dobson’s teachings are psychological in theory and practice. His discussions about the nature of children and adults and how to change behavior **come primarily from psychology rather than from the Bible.** In numerous instances, they come from that kind of psychology which is opinion and not science. While Dobson opposes the teachings of some psychologists, he embraces the theories and practices of others. Like most practitioners, he is eclectic in his approach in that he picks and chooses from a variety of theorists. **However, his psychology is neither original nor biblically based.**

...Dobson’s books emphasize his brand of psychology instead of the Word of God. And while there may be some points of apparent agreement between certain ideas in psychology and the Bible, psychology rather than the Bible is the authority for too much of what Dobson says and writes.

Focus on the Family: A Sham and a Shame Pt. 3 - PsychoHeresy Awareness Ministries by Martin and Deidre Bobgan | Jun 1, 2013

Excerpts: ...In this Part Three we add more concerns about Daly’s position and conclude by saying that **FOTF is a Last Days’ psychological and humanistic organization that reflects the psychological and humanistic church—lukewarm like Laodicea.**

...Daly **shockingly** ends this book chapter by saying:

Our neighbors may know we are Christians by our love, as the old song goes, but they will only know about the love of Jesus if we also share with them the truth about His life poured out as a sacrifice.⁷

We say “shockingly” because, in all the *Indy* and other newspaper interviews with Daly and all **his personally described conversations and relationships with these LGBT and abortion activists and organizations, we have never heard him describe the details of “the love of Jesus” or any conversation where he did “share with them the truth about His life poured out as a sacrifice” for their grievous sins against God.**

PsychoBlasphemy, Part One - PsychoHeresy Awareness Ministries - by Guest Author | Jan 3, 2021

Excerpts: The apostles and the early church would be horrified to see what is replacing the pure work of God through His Word and the Holy Spirit throughout the church today. They would wonder if Christians have forgotten the great promises of God and the blessed truths of their present inheritance.

They would wonder if the Holy Spirit has been shoved into a corner and ignored in the daily course of Christians' lives. Even today, some believers are dismayed to see this horrid leaven of man's wisdom **running rampant and permeating churches, parachurch organizations, Bible colleges, Christian schools and universities, seminaries, and mission agencies.**

Dobson, Religious Right Join Forces With Pope To Push 'Family' Agenda. The Free Library

Excerpt: A delegation of American Religious Right leaders, including Focus on the Family President James Dobson, traveled to the Vatican in late November to meet Pope John Paul II and attend a conference on families and the world economy.

The gathering was scheduled jointly by the Pontifical Council for the Family, an arm of the Vatican, and the Acton Institute, a Michigan-based conservative Catholic group that promotes free-market economic policies. The event took place Nov. 27-29 in Vatican City and featured a brief meeting between Dobson and the pope.

Dobson was accompanied by Charles Colson, the ex-Watergate felon turned Religious Right activist. Colson, who has been working with right-wing Catholic priest Richard John Neuhaus to bridge the divide between conservative Catholics and evangelicals, hailed the conference as a historic moment.

"There was a time not long ago when evangelical Protestant leaders like myself would not have been invited to the Vatican," said Colson, who serves as president of Prison Fellowship. "And if we had we would not have come. Thank God those days are behind us. May the day soon come when the world is no longer scandalized by our division but scandalized only by the cross of Christ."

At the conference Dobson lauded the Catholic Church, saying it "has done more to protect the family and traditional morality than any other institution, and I salute you for that." According to the National Catholic Register, Dobson specifically cited the Vatican's efforts in curbing population control efforts around the world and its opposition to gay rights.

I guess Pope Francis has recently betrayed those values. No surprise there – the Vatican represents evil at its very depth. **James Dobson had to be aware of the Vatican being the very current seat of Satan. All he had to do is visit the Papal Hall – evidence in plain sight.**

The following persons and organizations also can be classified as ***False, or Controlled Opposition***. This was determined by research into their relationship and promotion of Rome, Emergent, Occult, and New Age teachings, association with NAR, or their membership in Freemasonry. If you desire to have additional information on the following individuals or organizations, please send a request by email.

- **Andy Stanley, Benny Hinn, Beth Moore, Bill Bright (CRU), Bill Hybels (Willow Creek), Brennan Manning, Brian McLaren, Brother Lawrence, C.S. Lewis, C. Also, in just a **small sample representation** - The following groups or individuals are guilty of associating with, and the occasional recommending of heretical speakers and books - at conferences or in TV programming. Some of these could be classified as silent on ecumenism (which is an offense to the Gospel), but also may associate with NAR, New Age personalities, or Emergent Church leaders, who are most clearly pro-Rome. God alone knows how many are truly corrupted in their true purpose for ministry.

Christian Colleges that Promote Spiritual Formation – Lighthouse Trails - Typically, if a college or seminary has been promoting "spiritual formation," there is a strong chance they are also promoting "progressive" (e.g., wokeism, emergent) ideologies as well because spiritual formation (i.e., contemplative spirituality) leads to progressive thinking.

CONCLUSION:

In this Part II of the series on “Controlled Opposition” I focused on religious efforts to deceive, but in the globalist agenda, all elements of modern culture are so intertwined at the top of the pyramid of control, it is very difficult to isolate one element.

It does seem clear to me that Satan views the religious tendencies of humans to be key in setting up his last attempt to set up a global kingdom as prophesied in Scripture.

Therefore, I presented quite a bit of information above on Satan’s effort to entice religions back to the current point of control, the Vatican.

The following is a pictorial effort (shared previously) to communicate the destination of all forms of pagan, religious groups, with some even claiming theirs is the only way at their door of entrance, but they all end in the center of Sun god worship – which leads to Eternal Hell.

Finally, as a context for the future Part III of this series, I wish to share with you my communication with a few friends regarding churches and Christian patriots in their efforts to reverse the tide of evil sweeping through our land. It is a simplistic effort to share my view of the religious, financial, and political landscape in the United States of America.

Our country is under God's judgment – it is too late to try and defend the Constitution – it is way past that point.

Please read what I wrote to one of my discernment friends in Tennessee who is fighting a sincere, hard battle from a political perspective for the Constitution.

“As I am observing the current events, in light of my 45 years in research of history, I truly believe the political battle is totally lost. Our country is totally, financially enslaved by the Rothschild banking cabal. Politicians are totally purchased, political prostitutes, and those that aren't, are destroyed. Freemasonry totally controls both political parties, with almost no exceptions at the national level. I had a “professing” Christian friend in our State of PA., who was a Republican State House Rep., whom I supported, but when he became a State senator, in reading his bio, I discovered he was a 32nd. Degree Mason. The male quartet I sang with, actually sang at one of his church speaking engagements – I was so disappointed, but not totally surprised, having my research as a context.

The globalists actually promote and manage the friction between the right and left, as many who are involved don't realize that they are both – left & right – on the same Broad Road to Hell! The Globalists love when “energy” is expended in that friction, without people realizing who the puppet master is that controls both sides. Their energies are wasted on a battle outcome that has already been determined.

While I strongly support the exposing and opposing of evil as a warning to God's people, I truly believe God would have us in that warning, realize that the only effort at this point, which will reflect God's will and His support, is fighting the Spiritual battle for truth. That means pointing people to the Gospel of Jesus Christ and Scriptural prophecy in light of current events, and sharing the urgency of this moment in God's timetable.”

=====

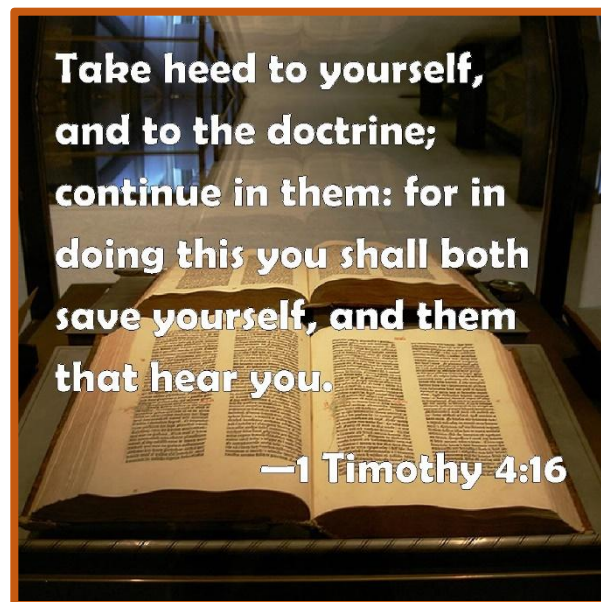

My end point – Satan is a master at diverting the energies of “Christians” into efforts that siphon their time and resources into a religious and political wasteland. The Church of Jesus Christ is not called to change the world's culture, which is the goal of “Christians” (the NAR-7 Mountains) who promote the doctrine of dominionism. 2 Timothy 3:13 *But evil men and seducers shall wax worse and worse, deceiving, and being deceived.* Dominionism is the goal of the Vatican because they perceive their church to be the head of that “*dominion*”.

Viewing all the components in this convergence – financial, political, and religious – the battle for our country is lost. We are bankrupt, morally and financially, politicians are corrupted and actually promote or remain silent while the sins of Sodom are promoted, while much of the “Church” is apostate and also prostituted by money sources. And of

course, the lying media, all the while is smiling at you as they share their deceitful news in their evening reports.

*Behold, I stand at the door and
knock. If anyone hears my voice and
opens the door, I will come in to him
and eat with him, and he with me.
Revelation 3:20*

**Take heed to yourself,
and to the doctrine;
continue in them: for in
doing this you shall both
save yourself, and them
that hear you.**

—1 Timothy 4:16
