

DEFINING AND DISCERNING FALSE, OR CONTROLLED OPPOSITION – PART III

Leon E. Good August 20, 2022 - Updated January 20, 2025

Matthew 24:4 *And Jesus answered and said unto them, **Take heed that no man deceive you.***

Ephesians 4:14 *That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to **deceive;***

2 Thessalonians 2:3 *Let no man **deceive** you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;*

Revelation 20:3 *And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should **deceive** the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season.*

As I began writing the third article of this series, I considered how defining the many sophisticated deceptions (impossible for this brain) that are taking place currently around the globe, it would probably require writing a 32-volume set of 600 page books.

I began with the Scriptures above to call your attention to the very clearly communicated direction: ***Let no man deceive you by any means.*** The **personal responsibility** of the Christian to avoid deception by **anyone**, has not been preached from the pulpit with that **emphasis** in my hearing. There is a tendency to place the cause of our being deceived on others, i.e., media, education, friends, etc. The question should be asked: How can I guard my heart and mind, while living in an environment where deception is at every turn? It means we must understand not only the Truth of Scripture, but also be keenly aware of the deceptive traps that are set by the enemy. They come in many forms in all venues of activity – entertainment, politics, finance, business, religious demonic doctrines, and ad infinitum. Many of these traps (scams) are set by using

nomenclature that seems to represent the opposite of evil, by those claiming to be assisting you to solve a problem that they themselves may have created, all the while claiming to be on the side of righteousness, i.e. **false, or controlled opposition.**

As I have referenced often, Satan is a master at causing a crisis to create a dire need for a solution, which solution in the end is meant for our destruction. An example would be the plethora of false religions offered to humans who are seeking security and help in life's journey in our fallen condition, as a result of man's rebellion against God, which was activated by Satan. The crisis he created produced the need to seek security and meaning with false gods, which are in reality demonic, and eventually in the Tribulation, the Anti-Christ.

11. How Far Will satan go to Deceive People?

- **2 Cor. 11:13-15**
- **v. 14** Satan appears as an *angel of light*.
- **v. 15** His ministers appear as the *ministers of righteousness*.

Note: Satan seldom appears as an evil being. He usually comes disguised as a friend, or even a Christian worker. This catches people off guard and deceives them.

14

There is another key element I have observed in my research, including my personal church experience in the last 50 years: There are sincere, Bible believing pastors, who preach the Gospel, and are sound in their exegesis of Scripture, but are partially, or almost totally blind to Satan's global system of evil. I have asked myself often, why are men, who hold master and doctorate degrees in theology, from conservative, Christian universities, almost completely blind to this "BIG PICTURE" of evil? The only

conclusion I can arrive at, is that those schools are "*controlled*" by unseen forces in what they are allowed to expose concerning the Vatican and Freemasonry.

The following account may be just one example of a school founded with an agenda that wasn't what it appeared to be.

In my previous writing, I exposed how Bob Jones University, a very conservative Baptist school, being founded by Bob Jones, Sr., who was a high degree Freemason, including very many on the original BJU Board who were also Freemasons.

Bob Jones Sr. was also a close personal, friend of Sen. Strom Thurmond, who as I mentioned previously was a 33rd. degree, Lucifer worshipping Freemason. That is not

conjecture. I received that information firsthand from a professor of business, who resigned when he discovered that to be the reality. Your experiencing cognitive dissonance at reading the above has no bearing on the truth of that statement.

2 Corinthians 11:13-15 For such *are* false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore *it is* no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.

When I discovered the trend towards gradual, doctrinal corruption in other “conservative” schools and seminaries in the 1960’s and forward, I began to understand a bit more concerning the aforementioned blind side to the training of men who felt the call to preach.

To compound the problem, many intellectuals in the evangelical church decried and almost mocked the role of a “Watchman”, as the analysis of almost anything or anyone was considered to be wickedly judgmental. Intellectuals trained in their highly respected schools did not, and do not appreciate the exposure of their nescient position regarding the evil system of Freemasonry and the evil centered in the Vatican. A few Protestant theologians will expose the basic, doctrinal differences with Rome, such as justification by faith, purgatory, and Mariology, but won’t/can’t expose the total commitment of Rome to sun god worship, occultism, dominionism, and the New World Order, and their strong connections with almost all American systems of publication, education, finance and government. Also note that our capital in Washington, D.C., is also filled with sun god symbolism almost everywhere you look.

Also consider this: the majority of Protestants in America are no longer protesting – they have joined the harlot through the ecumenical movement. Again, I ask the question: WHY?

What follows then is a simplistic, partial explanation why so many Catholics and Protestants, who love America, are enticed into reactionary, political associations, as they deal with the confusing crisis that is created by the very powers of evil who also control the groups who are supposedly fighting this evil New World Order.

Before I attempt to expose “false” patriotic movements in this writing, I want to repeat again, the thoughts I had expressed in my conclusion to Part II of this series:

“Finally, I wish to share with you my communication with a few friends regarding churches and Christian patriots in their efforts to reverse the tide of evil sweeping through our land. It is a simplistic effort to share my view of the religious, financial, and political landscape in the United States of America.

Our country is under God’s judgment – it is too late to try and defend the Constitution – it is way past that point.”

...The globalists actually promote and manage the friction between the right and left, as many who are involved don’t realize that they are both – left & right – on the same Broad Road to Hell! The Globalists love when “energy” is expended in that friction, without people realizing who the puppet master is that controls both sides. Their energies are wasted on a battle outcome that has already been determined.

While I strongly support the exposing and opposing of evil as a warning to God’s people, I truly believe God would have us in that warning, realize that the only effort at this point, which will reflect God’s will and His support, is fighting the Spiritual battle for truth. That means pointing people to the Gospel of Jesus Christ and Scriptural prophecy in light of current events, and sharing the urgency of this moment in God’s timetable.”

Jude 20-23 But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost, Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life. And of some have compassion, making a difference: And others save with fear, pulling *them* out of the fire; hating even the garment spotted by the flesh.

The above verses almost seem to picture a type of an emergency medical triage, only in this case it is a “Spiritual” emergency triage, which seems to be an appropriate description of the current, end times situation in our culture, secular and sacred.

tri·age- Noun - the preliminary assessment of patients or casualties in order to determine the urgency of their need for treatment and the nature of treatment required:

This then places the importance on us personally, of the first verses in the introduction above, as we serve our Savior in these times of Medical, Financial. Political, and Religious “CONFUSION”

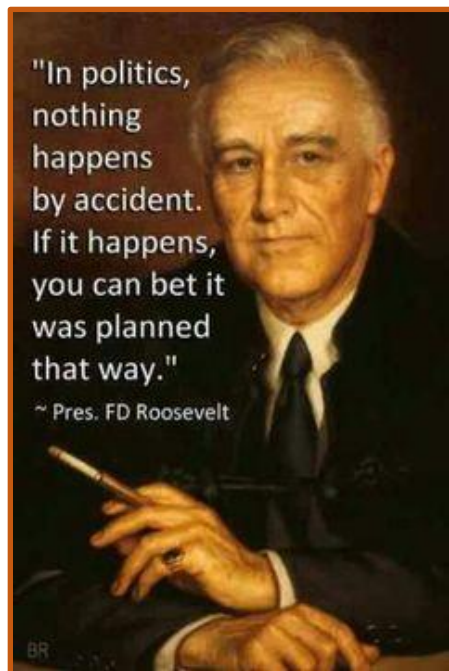

I do fully recognize that God has all of this in view and is not in a state of shock or surprise. He predicted that global mankind would wax worse and

worse. I

personally

could not have imagined how worse it was going to get – 45 years ago. Keep that fact at the front of your mind as you hear New Agers and apostate “pulpiteers” proposing that there will be a great awakening, or great revival. That movement is laying the groundwork and psychological environment necessary for the introduction of Satan’s false “Christ”, who will, with demonic skill, “**pretend**” to be the “real” Christ. The first example of political, **controlled opposition** I wish to expose is what took place in the 2016 presidential elections. In 2016, (now also 2024) the Republican presidential candidate, false opposition, was **postured** as a “conservative” Republican, saying some of the right words that patriots and Christians wanted to hear after the “preparatory crisis” of eight years of Barack Obama being president. (and after Biden being president) But notice that they created a serious political crisis from

the perspective of conservative patriots, as Obama, not a natural born citizen and an openly professed gay man, basically destroyed the respect of America in the Middle East, and around the world. Biden was also a pawn in the globalist’s hands as he was used to create a dire situation with illegal immigration and his family’s business corruption in the Ukraine. Without going into more detail, all Presidents are merely puppets of the Global Cabal, creating crises and offering

globalist solutions. Remember again the motto of the 33rd degree of the Scottish Rite Freemasonry – “Order Out of Chaos”

With Satan’s goal almost always being to create division, thereby to create weakness, he *postured* a controlled opposition candidate who was never formerly conservative, nor moral in

his lifestyle, but rallied the conservative American voters to elect him, because that was what appeared to be their only option, as they viewed two, bad presidential candidates.

With the above as a context, I wish to provide some additional detail on this man named Donald Trump.

I want to clearly state that this man is involved with the globalists and their Satanic plan to establish a world government.

If you do any research, you will find

enormous amounts of Masonic symbolism in his Penthouse on the 66th. floor of Trump Tower, which Penthouse is loaded with symbolism to the pagan gods and Apollo. At the bottom of Trump Tower is an inverted pyramid, shaped by trees, which represents the female goddess Asherah. If you count those trees that shape the 3 sides of the triangle, you will discover that

there are 6 on each side = 666. I leave the pictures do the talking!

The Inverted Triangle and Baal Worship:

The inverted triangle is a symbol that is used by the Freemasons, the occult, satanists, New Agers, pagans and others who practice esoteric mysticism and the dark arts.

Below is a picture from his penthouse: See [Here](#)

Classical art dominates here with a bronze of Eros and Psyche, one of the great Greek love stories, and Apollo led by Aurora – the Greek goddess of the dawn, suggesting Trump sees himself the mold of Apollo, Zeus’s son, and one of the most powerful of the gods.

I would again remind you that Pres. Trump signed “Operation Warp Speed”, which allocated **\$18 billion** in funding the big pharma genocidal “vaccines”, obeying the puppet master, all the while claiming to love America. Just another example of a crisis created that required a solution – the mRNA vaccines – that aren’t vaccines.

Then we have this very short video on Twitter:

The person who sent this out made this remark: ***I still love most of you who have supported him in the past, even***

Actor George Clooney had this to say about Donald Trump:

"It's so funny because he was just this knucklehead," the 60-year-old actor and filmmaker said of Trump, 75. "I knew him before he was a president. He was just a guy who was chasing girls. Every time you went out, he'd come over and be like, 'What's the name of that girl?' That's all he was."

Clooney, who has become a vocal critic of Trump's since the latter's political turn, said that Trump's fans — ***"this whole group of people that ... think he's the champion" — are people the former president*** **certainly can't stand** in real life.

though some of you belittled those of us who always knew he was simply playing his role in the globalist Hegelian Dialectic.

[TRUMP TOTALLY BUSTED..caught praising Klaus Schwab and the WEF](#)

Trump is heard saying in this video: *I'm the "father of the vaccines"*

Now with that in your mental library, let's review what is taking place currently. In 2020 the globalists replaced President Trump in the Whitehouse with someone from the opposite side of the same globalist game board. Without stepping into the swamp of election fraud, I would just say that the result was not a shock to the top actors on either side. Their ultimate goal, by their own declaration, is to eventually declare "Martial Law". In order to arrive at that juncture, they need a divided nation, which division can be exaggerated and manipulated by the media, so the populace will perceive the possibility of an all-out civil war.

Add to the above, the FBI raid of Trump's Mar-a-Lago home, which has ignited a lot of angry comments on the potential of civil war. I saw these news headlines: **MAGA World Wants 'War' After FBI Raid On Trump's Mar-A-Lago** and **'Civil War' trending on Twitter after FBI raids Trump's Mar-A-Lago.**

The cartoon to the left illustrates the hatred they have been promoting for decades, without people seeing the reality of the promotion of that hatred by the puppet master.

Recognizing the above, it becomes problematic for any dedicated Christian to provide

time and financial resources to any political efforts that are proposing to reverse what is happening in America through political activism.

Also, for additional clarification, our country was not founded as a Christian country. My research would clearly indicate that America is, and always was, in the very least, a facet of "Mystery Babylon" mentioned in Revelation. Almost all of our founders were working in concert with important, dark forces in Europe and the Vatican. Such men as David Barton of Wallbuilders is very much misrepresenting or is ignoring the occult involvement in the founding of our nation. Yes, for the outward view, the Freemasons wanted that Christian identity as a cover for their devious plans. I would remind you that the Bible is on the altar of every Masonic Lodge in America, just as the Koran is on the altar of every Masonic Lodge in Islamic Countries.

In both cases they would be superseded in position by the Masonic Compass and the Square placed on top of them.

I have stated quite often previously: Satan's most sophisticated, religious counterfeit, Roman Catholicism, was falsely given a "Christian" identification. So also, Satan's most powerful political kingdom in the history of the world, was allowed to have a "Christian" identity, to use for his purposes of deception as he prepares to present a false "Christ". "In God We Trust" on our money did not reference the God Jehovah, but the god Baal, but Satan was ok with most of Americans having absolutely no clue regarding that truth.

Here are two examples of organizations (more could be listed) that Christians should not support financially or philosophically. They represent a trap for patriotic Christians. Please note that both these organizations were instrumental in Trump's election in 2024.

One example of this false opposition is the **Reawaken America Tour** – begun and founded by Clay Clark.

[Origins](#) – according to Wikipedia

According to Clark, as the COVID-19 pandemic began in early 2020, he asked [God](#), "What can I do to stop the quarantines, the curfews, the mandates, the lockdowns?" The answer he received, Clark said, with "100% of God-ordained clarity . . . **was to begin reawakening America.**"^[11] Despite the religious origins of the tour, it has been criticised by major Christian leaders.^[12]

In the spring of 2021, Clark inaugurated the "Health and Freedom" events to protest COVID-19 mitigation measures such as masking and vaccinations.^[13] According to Clark, he was inspired to undertake the tour by a 1963 prophecy by [Charismatic](#) minister [Kenneth E. Hagin](#), who predicted that "there would be an atheistic, communist, Marxist and racially divisive spirit that would descend upon America" and that "the spark of the revival would start from Tulsa, Oklahoma."^[11] Clark also stated that he received confirmation of his importance from a 2013 prophecy by the South-African Charismatic evangelist Kim Clement, who identified a "Mr. Clark" about whom he believed God said: "You have been determined through your prayers to influence this nation. You're watching me; you're an influential person. The Spirit of God says, 'Hear the word of the prophet to you as a king, I will open that door that you prayed about.'"^{[14][11]}

As of May 2022, all but two of the ReAwaken America events have been held at churches.^{[15][16]}

Here is an excellent expose' of the subject in view:

[Reawaken America Tour: Patriotic Christianity Knee Deep in the False Light New Age Movement](#)

Excerpt:

...Dave Scarlett interviews many of the speakers at each “Reawaken” event and this video (<https://bit.ly/3Q6BtHA>) is from Scarlett’s interview with Scott McKay. Scarlett’s wife is also featured.

At the 1:00 point we hear Scarlett say: “Warriors have to stick together.”

Scott McKay: “Yeah, yeah, that’s why we’re here. Everybody’s coalescing. We’re getting the same Christ- consciousness energy, drawing people in, coalescing together, so “we the people” can get on our feet and fight...there’s no victory without “we the people.”

18:21 McKay: “This energy force in this world, this frequency is rising so high...nothing is out of the reach of this Christ-consciousness. If you’re one of them, you’re getting smoked out.”

18:54 Scarlett: “So, in closing, what hope do you tell people?

McKay: “Expect a fight. Look, people are upset or afraid that we might have disruption in the supply chain; food, fuel, all these things. You have to remember something. The old system has to come down. If it doesn’t, and it’s intact, that means we can’t build the Garden of Eden with new architecture. So, if it gets tough, you gotta remember this is the beginning of their end.”

Now, in case anyone thinks Scott McKay just randomly used the phrase “Christ-consciousness” and isn’t aware he’s involved in the New Age, please consider the following information:

1) As shared in this post (<https://bit.ly/3zzYw6n>), a global community called “UNIFYD” held a live-streamed event titled “THE SHIFT: The Informed Dozen” from July 9-10, 2022.

At the “about” link (<https://bit.ly/3JxAYUg>) for their website we read: “When we UNIFY our consciousness and put our energy together, we shift our entire reality in ways that surpass even our wildest dreams! Our community was created to give people a place to come together and support the initiative of building a new system rooted out of compassion and love, and dedicated towards catalyzing humanity’s ascension.”

[Common Bonds of New Age, Dominionism, and NAR](#)

– Study-Grow-Know – Dec. 1, 2017

Excerpts:

We've written numerous articles dealing with *Dominionism* in the past. Here is the link for the first many of the articles: [Dominionism](#)

We've also dealt with numerous aspects of the *New Age movement*. For a list of articles posted here on this blog, you can find them at this link: [New Age](#)

Most recently, we launched a series of articles that highlight the *New Apostolic Reformation (NAR)* and various aspects of the *Charismatic Movement* with other articles on the way. Here are some of the articles which provide information on [New Apostolic Reformation \(NAR\)](#). You'll note that there is some crossover with Dominionism and NAR.

Each of these areas has its unique outlook, attracting different types of people to each one. However, what might not be so readily seen is how much *alike* all three areas – *New Age, Dominionism, and NAR* – are when we take a closer look under the hood, so to speak.

There is actually one very important thing that ties each of these separate groups together though people in each are likely not aware of it, at least at this point. As the end of this age draws to a close these three separate groups will likely end up becoming far more cohesive and unified. They will actually come together unofficially, if not officially, because of the ideology they share.

What is that one thing that will create the bridge between these groups? It is nothing less than the *return of **the** Christ*. Let me clarify that please, because I am *not* referring to God the Son, Jesus, who *will* return at the very end of this age to close the Tribulation period. After which He will judge the sheep and the goats and begin setting up His Millennial Kingdom over which He will reign for 1,000 years from David's throne in Jerusalem.

No, I'm talking about *another* "Christ," an impostor, who will gain the attention of the world and be seen and accepted as the long-awaited "messiah," and who will ultimately be worshiped as though God (2 Thessalonians 2). Scripture tells us that prior to the return of the actual Jesus, an impostor with the title Antichrist will have his day. It will essentially be Satan's last attempt to imitate and replace God (Isaiah 14:14).

...All three of these groups make God out to be a liar. Not that He is a liar of course, but through their faulty exegesis (NAR and Dominionism), and humanistic relativism (New Age), they all believe the combined efforts of humanity will play a large hand in bringing the "Christ" to earth.

God speaks of a powerful delusion He will send that will overtake humanity (2 Thessalonians 2:11). People will believe what is false and we see this evidenced continually within Dominionism and NAR. New Agers are already deceived and believe what is false. Paul also warns of the apostasy that will occur in the latter days (2 Timothy

4:3-4). We are living in the last days and we are witnessing unprecedented apostasy by those claiming to “live for Jesus.” What they believe and teach is diametrically opposed to Scripture. They are dreamers, babblers, constantly presenting falsehoods eagerly adopted by those who follow them. Discernment has no place in their lives.

I would warn you about another organization, Turning Point USA, led by Charlie Kirk – One of the “We Love Trump” and “MAGA” movements. Taking into account my information on Trump above, this movement should not be supported by any knowledgeable Christian.

Turning Point USA

Charlie Kirk is the Founder and President of Turning Point USA, a national student movement dedicated to identifying, organizing, and empowering young people to promote the principles of free markets and limited government.

With representation on over 2,000 high school and college campuses nationwide and over 160 full-time staff, Turning Point USA is the largest and fastest-growing conservative youth activist organization in the country. At just 28-years-old, Charlie has appeared on CNBC, Fox News, and FOX Business News over 600 times, is a columnist at Newsweek and The Hill and was named to the Forbes “30 under 30” list. Charlie was also the youngest speaker at the 2016 Republican National Convention and is the author of two books, and his most recent title, “The MAGA Doctrine: The Only Ideas That Will Win the Future” is a #1 Best Seller. Charlie is also the Chairman of [Students for Trump](#), which aims to activate one million new college voters on campuses in battleground states in the lead up to the 2020 presidential election.

In 2019, Charlie was granted an honorary doctorate from Liberty University citing his exceptional leadership and energetic voice for conservatives. His social media reaches over 100 million people per month and according to Axios, he is one of the “top 10 most engaged” Twitter handles in the world, behind only President Trump among conservatives. Charlie is the host of “The Charlie Kirk Show”—which regularly ranks among the top 15 news shows on Apple podcast charts—where Charlie delivers in-depth analysis of the modern political and cultural landscape, mixing in philosophy and history with his signature campus activism along with interviews of some of the most influential people of our time.

Here is an excellent expose’ of Turning Point USA:

Exhort and Contend – Aug. 10, 2022 FB post - Bold & underlining by Leon

According to this link (<https://www.tpusa.com/pastors>), Charlie Kirk and his Turning Point USA organization will hold their first annual Pastors' Summit from August 10-12, 2022 at the beautiful Loews Coronado Bay Resort in San Diego, CA.

Part of their promo reads:

"Pastors who attend this retreat will hear from incredible guest speakers, receive first-class training, and participate in a series of networking events with Faith and political leaders from across the nation. Following the summit, you'll return to your congregation energized and equipped to boldly stand for liberty and The Kingdom."

The main pastors to note are Kirk's Christian nationalist buddies, Jack Hibbs, Rob McCoy, and Luke Barnett. David Barton is on the list so the group will learn a false perspective concerning American History. Sean Feucht is set to lead worship.

But, then, we note an interesting addition for a gathering of pastors and that is Dr. James A. Lindsay, an American mathematician, author, and cultural critic. The poster below say he's "talking on CRT" which I guess, in Kirk's mind means it doesn't matter that he is an avowed atheist.

Lindsay has written two books that demonstrate his atheistic beliefs. One is titled, "Everybody Is Wrong About God." (<https://amzn.to/3SD1Oi3>) Here is the description of it:

"With every argument for theism long since discredited, the result is that atheism has become little more than the noises reasonable people make in the presence of unjustified religious beliefs. Thus, engaging in interminable debate with religious believers about the existence of God has become exactly the wrong way for nonbelievers to try to deal with misguided—and often dangerous—belief in a higher power. The key, author James Lindsay argues, is to stop that particular conversation. He demonstrates that whenever people say they believe in 'God,' they are really telling us that they have certain psychological and social needs that they do not know how to meet. Lindsay then provides more productive avenues of discussion and action. Once nonbelievers understand this simple point, and drop the very label of atheist, will they be able to change the way we all think about, talk about, and act upon the troublesome notion called 'God.'"

A second book is titled, "Dot, Dot, Dot: Infinity Plus God Equals Folly." (<https://amzn.to/3SFh9P7>) Here is the description of it:

"Infinity and God have been close bedfellows over the recent millennia of human thought. But this is James A. Lindsay's point. These two ideas are thought, mere concepts. Lindsay shows in a concise and readable manner that infinity is an abstraction, and shows that, in all likelihood, so is God, particularly if he has infinite properties."

"This book is about math. It is about God. It is about stressing the importance of not confusing these two ideas with reality. Never the twain shall meet."

"A short and engaging read on the meeting of two huge ideas, infinity and God, that leaves us seeing both as abstract ideas that may have nothing to do with reality. Honest and accessible, Dot, Dot, Dot is a great little book to stretch your thinking." - Peter Boghossian, author of "A Manual for Creating Atheists."

"Timely, important and very readable, this book pulls the rug from under theists' feet." - Jonathan MS Pearce, author of "The Little Book of Unholy Questions."

Dear brethren, that Charlie Kirk would provide someone with such beliefs a platform to speak on any subject is despicable. Please mark and avoid!

=====

In Conclusion

Please, please, be very careful to whom you donate any of your resources. Always ask this question: are they promoting the True Gospel of Salvation, including true, personal repentance as the only solution, as we face God's oncoming judgment on this nation and the world?

Our world is so much more wicked and evil than most Christians can conceive or comprehend. The reason for that is that many of our religious, education, political, financial, and medical systems, secular and "Christian" have been corrupted by unseen, dark forces over many decades.

I would reiterate what I wrote in the beginning of this article - ***Let no man deceive you by any means.***

I would encourage you to do your own research in these matters.

And God's Word is ALWAYS TRUE!

Revelation 22:6-7 *And he said unto me, These sayings are faithful and true: and the Lord God of the holy prophets sent his angel to shew unto his servants the things which must shortly be done. Behold, I come quickly: blessed is he that keepeth the sayings of the prophecy of this book.*

KEEP THE FAITH!
